

I. POLICY ON POLICIES

- A. Board Policies shall only be established, interpreted, and modified by the Board. Board committees do not have authority to change Board Policies and Procedures. Recommendations to establish, interpret, or modify Board Procedures shall be made by the Board Officers' Committee. These shall go into effect immediately but must be ratified at the following regularly scheduled Board meeting in order to remain in effect.

- B. Operations Policies and Procedures shall only be established, interpreted, and modified by the Operations Team, except as directed by the Board. Councils and other entities of the Fellowship do not have authority to change Operations Policies and Procedures.

- C. Any recognized entity of the Fellowship shall develop, as needed, procedures for its own function, so long as these procedures are consistent with Board and Operations Policies and Procedures.
