## LAND ACKNOWLEDGEMENT

We acknowledge that this land is the traditional territory of the Lummi and Nooksack Peoples. Their presence is imbued in these mountains, valleys, waterways, and shorelines. May we nurture our relationship with our Coast Salish neighbors, and the shared responsibilities to their homelands where we all reside today.

## ANNUAL REPORT

The past year has been noteworthy in many respects. It has now been over 3 years since the World Health Organization declared COVID-19 a global pandemic. Although many aspects of life have returned to pre-pandemic days, we have all been impacted by COVID. This is true for each of us individually as well as for organizations of which we are a part, including BUF.

Last fall, we reopened fully with no COVID restrictions, while still offering a virtual option, which allows people from around the world to enjoy our services. We are fortunate to have a wide variety of interesting and inspirational services, led by Paul, our members and outside speakers. And we enjoy an outstanding music program, led by Kevin.

Our Children's RE program resumed under Genia's leadership and we are once again singing as our little ones are escorted upstairs to their classrooms. We resumed coffee hour after services and host a potluck approximately once a month. We resumed our Wednesday night dinner program, changing the name from Community Night Dinner to BUF Night In and simplifying the menu to encourage more people to volunteer to help. Our Chalice Circles and Book Clubs resumed in person meetings. We hosted spring and fall Women's Retreats, changing the format from a weekend getaway to a one day event. And we had a fun and successful in-person auction that raised $\$ 20,000$ plus a paddle call that raised $\$ 9,000$ to purchase chairs for the sanctuary.

Our membership has ebbed and flowed and currently stands at about 230 members, just slightly less than in pre-COVID days. A number of our beloved members have passed away or relocated, but we have regularly seen many new faces - both young and old - in the last year. We welcome each one to our BUF family.

We have made improvements to our building, including the installation of a new dishwasher, which was approved at our last annual Congregational meeting. And we completed the installation of a security system, which was installed in response to several break-ins.

However, BUF extends far beyond us and our building. Several notable accomplishments in the last year include the following.

Our Refugee Action Team helped resettle two Syrian refugee families securing housing, jobs and schooling. Although there were challenges along the way, the families have integrated well into life in the PNW. They have connected with other Arabic speaking people and have even learned to swim.

Our Black Lives Matter Action team dedicated a memorial bench and a tree at Fouts Park across the street to remind us of the murder of George Floyd and the many lives lost to systemic racism.

We put together a fiscal sponsorship agreement to support Pacific Northwest Plateful, an organization founded by a woman of color that provides meals for those in need. A fiscal sponsorship agreement allows a non-profit organization to sponsor an organization that is working to obtain its own non-profit status.

Under this type of arrangement, the sponsored organization is able to receive tax exempt contributions. Significant time and effort was put into this project as the agreement is a complex legal document. If not done properly, legal and tax problems can result. PNW Plateful has now received their own tax exempt status and we have an excellent framework in place to support other organizations in the future that may need this type of assistance.

Much of the work done by the Board centers on financial stewardship so that we can ensure that BUF can continue to thrive. We had a series of fortunate financial events occur in the past year that have allowed us to balance our budget. When we initially put together our budget for the coming year, we fell short and were unable to come up with a balanced budget.

We sent out an appeal for additional support, which resulted in additional pledges from many members as well as an anonymous donation of $\$ 50,000$. We thank this donor for their generosity. We used about half of this $\$ 50,000$ to achieve a balanced budget including increases for staff salaries, with the remainder set aside to be used as needed in the future.

Our budget for next year includes one final COVID related Employee Retention Credit of \$27,000.
We also were able to add about $\$ 25,000$ to our endowment fund as a result of the recent sale of the house next door on I Street. A former member had owned a small interest in that home which was willed to BUF.

We cannot count on similar fortuitous circumstances to occur regularly in the coming years. So we do expect challenges as we move forward in our "New Normal" world.

However, I have faith in this community and believe that we have the ability to continue to thrive. Many thanks to all of you for all that you bring to BUF and for all that you do to support BUF's mission.

I will close with this. We hold open the door to welcome the multitudes who may yet enter, we set the pace, teach by example, and encourage growth, sustaining a spirit of abundance and a connection to the greater good.

I will now turn it over to Annie Sorich, who will present this year's Board candidates as well as the candidates for the Nominating Committee.

## CLOSING WORDS

Many thanks to my fellow Board members, Kathy Wahto and Walt Ellis for their assistance with this meeting.

We extinguish this flame but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts until we are together again.
