We communicate in one of three ways:

1. Text to Grace or Alex
2. [Email](#)
3. BUF/Uplift News

We can try to send updates. Uplift has a Facebook page ([UPLIFT Team at BUF](#)).

We are happy to have chaperones and adults. Please let us know if you can or sign up for certain days with Grace.

We try to keep things free. We are always open to snacks. Occasionally we do things that have a cost. If that presents a challenge, email Grace. There are adults willing to sponsor things occasionally.

Our age group is High School (14 and up) through about 25. We are mostly Queer and Neurodivergent. Our goal is to provide safe, affirming and accepting social space for people who socializing is challenging.

More information text Grace at 202-487-8450 cell or grace@salishcoaching.com

This is the tentative schedule as of 6/15/24.
