Bellingham Unitarian Fellowship

Spring 2025

# We strive to be a sanctuary, a gathering place, and a source of resilience, peace, and courage.

In addition to weekly Sunday morning services, we offer a meditative Taizé service once a month with candlelight, singing, chanting, and silence.

We actively work to ensure that newcomers feel safe and at home, including our LGBTQ+ and BIPOC neighbors.

We support refugees and are currently helping three local families from the Middle East.

We hold our earth as a sacred trust and do our best to act accordingly.

As a Beloved Community, we covenant to grow in love and to oppose and dismantle racism and injustice within our lives and in our actions.
